CERTIFICATION TRAINING WITH SOUL ARTS INTERNATIONAL

**By signing below you agree to the Feminine Embodiment  
Training Agreements and Policies:**

- I am making an intimate commitment to myself registering for the Feminine Embodiment 6 Month Certification Program with Zoe Gaia.
- I understand I shall receive from the Program what I put into it and take responsibility for myself.
- I am dedicated to my self-care on this Program and am self-resourced with the ability to find supplementary outside support for my transformational process if this is needed. I am responsible for asking for what I need and for my own awakening and transformational journey.
- I understand I shall be part of a global sisterhood. We will be sharing our journey together and I respect the intimacy of this container. I will not publicly share what is discussed live or in written form on the private forums.
- I know this program shall awaken a deepened transformation in my life when I participate during the live calls and private Facebook page forum.
- I understand Zoe Gaia is not engaging in this training as a Therapist; she is a Guide for women in awakening to who they truly are.
- I am committed to being present and following through on the financial investment of this program until completion. I will make my payments on time and in the full amount.
- I understand there are no refunds for this Program.

- I am aware any teachings by Zoe Gaia generated as guidance in response to engagements via email or on online platforms can be shared as teaching materials on various platforms.
- Any engagement with Zoe Gaia, either online or in person, is likely to ripple into all areas of my life. The process it awakens needs to be handled with care of myself. Entering immersion with Zoe Gaia requires my sincere dedication to awakening through the feminine. I acknowledge that Zoe Gaia (Legal name: Zoe Dodds) is not responsible for the effects the content may have on me, how I may interpret or use the content or what I may take as a result of having engaged with the content.
- I agree to Feminine Embodiment Training Agreements and Policies as set out herein.
