MENTORING**

**LET 2024
BE YOUR YEAR!**

We are living in challenging times,
where it is essential to come home to
our body & connect.

This work & sacred training is an
investment into the future; both
yours & the planets.

We are entering a new paradigm of
wealth re-distribution & feminine
empowerment. Its time for a new
way of being on the planet.

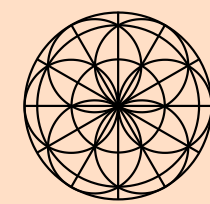

What will you do in 2024?

- FEMININE ARTS
- RITES OF PASSAGE
- WOMEN'S CIRCLES

Soul Arts International offers educational support and community for women desiring to rise.

Our 6 month Feminine Embodiment Training combines a comprehensive array of therapies & powerful healing modalities.

Embedded with embodied, practical experience this rich and expressive training offers a pathway for women to work with women both 1-on-1 and in groups.

Embarking on this Alchemical Practitioner Training in Embodied Expressive Arts offers an experience filled with skills acquisition, diversity & connection.

Our training combines online & in-person training for a rich & unique educational experience.

FEMININE EMBODIMENT SCHEDULE

We meet together online for:

- Live classes
- Sisterhood connection
- Q & A time
- Group Mentoring
- Practice: Diads & Triads

Each week new information is available in the portal for easy integration & learning. Participants are encouraged to practice and embody the information given and supported in self care, practice and integration, as well as application of five (5) case studies to gain insurance.

7 Day In-Person Retreat: Days will be deeply nourishing and experiential: A deep dive into Embodiment Practice in the Feminine Arts.

Minimum live Module Attendences required to receive Certification
